**Notice Issued: July 20, 2006**

This notice shall satisfy two separate but related procedural notification requirements for activities to be undertaken by the Office of Community Development.

**REQUEST FOR RELEASE OF FUNDS.** On or about August 7, 2006, the OCD will submit a request to the U.S. Department of Housing and Urban Development for the release of federal funds approved under the FY 2006 Department of Defense Appropriations Act, in accordance with the "Notice of Funding Availability" published in the Federal Register on February 13, 2006, for the purpose of compensation for homeowner losses in the thirty-eight parishes most affected by Hurricanes Katrina and/or Rita. This program will provide a one-time grant payment, up to a maximum of \$150,000, to eligible homeowners who suffered damage to their primary residence from Hurricanes Katrina and/or Rita. The program is designed to provide compensation only, and will not involve any physical action on the part of the Department of Housing and Urban Development or the State of Louisiana.

**FINDING OF NO SIGNIFICANT IMPACT.** OCD has determined that the project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required. Additional project information is contained in the Environmental Review Record (ERR) on file at the Division of Administration, Office of Community Development, 1201 North Third Street, Suite 7-270, Baton Rouge LA and may be examined or copied weekdays 8 a.m. to 5:00 p.m.

**PUBLIC COMMENTS.** Any individual, group, or agency disagreeing with this determination, or wishing to comment on the program may submit written comments to this Office. All comments received by August 4, 2006, will be considered by the Office prior to submission of a request for release of

funds. Commenters should specify which Notice they are addressing.

**RELEASE OF FUNDS:** This Office certifies to HUD that Susan Elkins, in her capacity as Executive Director, consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities, and allows the OCD to use Program Funds

**OBJECTIONS TO RELEASE OF FUNDS.** HUD will accept objections to its release of funds and OCD's certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer or other officer of OCD approved by HUD; (b) OCD has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58; (c) the grant recipient or other participants in the project have committed funds or incurred costs not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency acting pursuant to 40 CFR part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR part 58, sec. 58.76) and shall be addressed to:
